

/HUG MISSION CARD: 'TEACH A MAN TO FISH'

Difficulty: Easy

What you Need: Fishing pole + water

Objective: Fish 20 fish from the pond and leave the fish in your bag for later collection

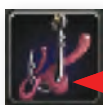

Estimated time: 10 - 20 minutes

Value: Feeds 3 families for one day

Step 1: Sign into a character and make sure you are standing near the water.

Step 2: Click on the button in the right hand bar that looks like a whales fluke to equip the fishing pole or right click on the fishing pole icon to equip it.

Step 3: Click on the fishing pole button to cast and watch for the bobber.

Step 4: You are fishing! Right click on the bobber when it moves to catch fish (practice it to perfect).

Step 5: Collect 20 fish by right clicking them when they appear.

Step 6: Throw back the trash and weeds that you catch by simply casting again.
