Step 1: Is your inventory full? Check by opening your bag (press shift & "B" together).

Step 3: Find the nearest mailbox. The easiest way is by right clicking the "hearth-stone" in your bag. This will take you to an inn. The mail-box should be outside.

Step 4: If your hearthstone is on cool down then see the map for a route to an inn; Alliance follow the blue path and Horde follow the red.

Step 5: Right click the mailbox, then click the "send mail" tab on the bottom of that menu. In the "To:" section type "slashhug" if you are horde or "slashhugs" if you are alliance. In the "Subject:" section type "donation".

Step 6: Then right click the item(s) in your bag that you want to donate. After you have selected all the items you want to donate click the "send" button.
